

The background image shows the exterior of a modern building, likely the School of Biochemistry. The building has large windows and a curved facade. In the foreground, there is a large, intricate sculpture made of dark, woven material, resembling a large, textured egg or a biological structure. Several posters are visible on the building's wall, including one with the text 'BIO TECNOLOGIA' and another with 'BIO QUIMICA'. A bicycle is parked near the building on the right. The entire image is overlaid with a semi-transparent magenta filter.

ESCUELA DE, BIOQUÍMICA

#SOMOSUTALCA

CAMPUS TALCA

Desarrollo de conocimiento científico, estudio de las actividades moleculares asociadas a procesos biológicos para el desempeño en centros de investigación avanzada, laboratorios biotecnológicos, industria alimentaria, centros de salud y docencia universitaria.

CENTROS DE INVESTIGACIÓN

- Instituto de Ciencias Biológicas
